

All event traffic will enter the festival grounds the same way with the exception of the balloon pilots. No attendees may enter the festival grounds by turning right or left off of highway 70. All attendees must follow the entry way shown on the map above and in the instructions below.

Traffic will primarily be coming off the interstates following Mount Willing Road. Once you cross the railroad tracks you will take an immediate right on Forest Avenue. You will follow Forest Avenue around to where you will curve at the baseball field. At the next right you will turn right onto Gym Road. Immediately on your left is the entrance into the General Admission Shuttle parking lot (across from the ball field). The shuttle will pick up participants to carry them to the festival site. If you have VIP passes you will proceed past the shuttle parking area down Gym Road to where you will take a sharp left onto Lloyds Dairy Road. Check in for the VIP will be at the crossing of highway 70 into North Lloyds Dairy Road (the festival location). The VIP parking is down this road about 1/8 of a mile on the left in a large farm field.
